MAST Newsletter – Invitation for Contributions

Upcoming Edition: December 2026, Issue 1

Dear Colleagues,

The MAST Newsletter serves as a showcase for our Academy. Since its inception in 2009, it has been a vital platform for sharing knowledge and fostering connections within our scientific community. This year we will continue to enhance and modernise the Newsletter making use of the latest advancements in digital publication. As part of this development, we are pleased to invite you to contribute to the upcoming edition, scheduled for publication in December 2026.

We welcome a broad range of submissions, including (but not limited to) research highlights, project summaries, updates on science, technology and innovation, news about upcoming events, conference participation, policy insights, publications and any other relevant content focused on the Republic of Mauritius and/or the broader region. We would also be grateful if you could share this invitation with your colleagues and professional networks.

Manuscript preparation: for detailed guidelines, please refer to the Submission Guidelines available on our website: <https://www.mastmu.org>.

Manuscript Submission Deadline: 28 October 2026

Please submit your manuscripts to MAST Secretary: francoise.driver9@gmail.com;
mast.mauritius@gmail.com

The Newsletter will be published on our website and shared with our international partners, including the InterAcademy Partnership (IAP), the Network of African Science Academies (NASAC), and the International Science Council (ISC), among others, ensuring global visibility and networking opportunities for your work.

We look forward to your valuable contributions.

Yours sincerely,

The Editorial Committee

Dr. Atchia Michael
Dr. Dookun-Saumtally Asha
Prof. Driver Françoise
Dr. Saumtally Salem
