

Call for Contributions – MAST Newsletter (October 2025, Issue 1)

Extended Deadline: Friday, 22 August 2025

The Mauritius Academy of Science and Technology (MAST) invites Members to contribute to the upcoming October 2025 edition of the Newsletter. We welcome submissions on topics relevant to science (includes social sciences) and technology in Mauritius and the region, including (but not limited to):

- Research highlights
- Summaries of ongoing or completed research projects
- Updates on science, technology, and innovation initiatives
- Reports on conferences, workshops, or academic events attended
- Policy insights
- Publication lists (2024–2025)

Send submissions to: francoise.driver9@gmail.com

Refer to: MAST Newsletter – *Submission Guidelines*

The Newsletter will be shared internationally with partners including IAP, NASAC, and ISC.

Thank you for supporting this platform that highlights the work of our members.
